Name: Murugeshwaran. N [VARAN] Area of specialization : Visual Effects & 3D Animation Qualification –MCA, PG Diploma in Animation	

BIOGRAPHY:

I have worked in many documentaries as an associate. I have also directed some documentaries. In this period I got a chance to take photographs for the books written by the great Maestro Illayaraja by name “Pal Nila padhai” and “Thuli kadal”. During the discussion a decision to make a documentary for the same was made and the maestro immediately acknowledged this. This documentary of mine was edited by Mr.Lenin the great video editor. It is this man who opened the door for my specialization in 3D animation and Visual effects by educating me on these technologies.

Today I am a successful visual effects producer and also part of the R & D team of Image Infotainment Ltd providing industry based training on various aspects of visual effects. Here at Image we analyze and create specialized content for 3D and visual effects.
